Metro LITE TOUCH

The easy way to pay for parking

The Metro LITE TOUCH is the latest addition to the Orikan range of Pay-by-Plate & Pay-by-Space terminals. It has been specially designed to bridge the gap between the traditional cash-and-ticket meters and emerging touch-free technologies such as smartphone payment apps.

FEATURES

- 8.4" colour SVGA TOUCH screen
- Ticketless
- Top up time
- Check time remaining
- Electronic locking
- Dual SIM wireless communications
